Alderman Davis called the Downtown Committee Meeting to order.

Discussion about what to do with the surplus of flower pots downtown.

Mayor stated that first come first serve; they could be moved and citizens would take care of them.

Council decided that the flower pots would be on a first come first serve; would not be sitting in someone's yard a but in a neighborhood and if they are not taken care of the city will remove.

MOTION By Davis, second by McDowell to have the attorney draw up the necessary paperwork entailing that the Committee approves public use of the big flower pots; a first come first serve basis; if someone requests a flower pot, Public Works will deliver the pot. If the flower pots are not taken care of the City will come remove them; we prefer that the pots go in front of a Business or Street Corners.

MOTION By Davis, second by McDowell to adjourn the Downtown Committee Meeting. ALL VOTED YES. Motion Carried.

MOTION By Davis, second by Mathes to adjourn the

MEETING ADJOURNED.
